April 4, 2022

To Whom It May Concern:

Verification of Ambassadorship

By this letter, it is hereby confirmed that Ms. Irina Azarkh, is an Ambassador of the Global Wellness Institute (GWI). As an Ambassador she is recognized for sharing in our global campaign to empower wellness worldwide.

By representing their countries and communities, Global Wellness Institute Ambassadors play a critical role in GWI's mission to empower wellness worldwide.

The Global Wellness Institute (GWI) is a 501(c)(3) nonprofit organization with a mission to empower wellness worldwide by educating the public and private sectors about preventative health and wellness. GWI's research, programs and initiatives have been instrumental in the growth of the USD \$4.5 trillion wellness economy—and in uniting the health and wellness industries.

Through our five pillars—Research, Initiatives, Roundtable Discussions, Wellness Evidence, and The Wellness Moonshot: A World Free of Preventable Disease—the GWI informs and connects key stakeholders capable of impacting the overall wellbeing of our planet and its citizens.

Irina's gift of \$1000 greatly supports the work of the GWI. If you would like to learn more about our mission, please visit our website www.globalwellnessinstitute.org for more information about our organization.
